San Mateo County Home Prices since 2016

Median TOWNHOUSE & CONDO Sales Prices, 3-Month Rolling

The median sales price is that price at which half the sales occurred for more and half for less, and can fluctuate due to a number of factors. Values vary widely between communities.

Each column reflects 3 months sales reported to NorCal MLS Alliance, per Infosparks. Last month's price may change due to late-reported sales. Analysis may contain errors and subject to revision. All numbers approximate.
